CVMA® 27-11, Lynchburg Ridge Riders  
1159 Buckhill Road, Amherst, VA 24521  
434-420-9675

9 October 2022

In order to add some friendly competition, an "Events" competition has been added to our chapter policy.

A total of all events attended by a chapter member or supporter of our chapter will be maintained.

In order for an event to be authorized as part of the competition, the following must apply:

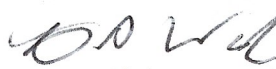

- 1) An announcement must be made to the chapter via the google group, in a reasonable time frame, prior to the event.
- 2) It must be veteran support related.
- 3) CVMA must be represented, either by proper attire or verbally announced.

All events are subject to approval by the CEB.

A total of all events attended by the individual will be tallied and presented at the yearly 27-11 Christmas party.

The Christmas party will start the following years competition.

A prize will be given out for the most events attended.
